

# SUCCESS. OUR PASSION.

CONET

## SAP DI Data & Analytics Consultant (m/w/d)

### Location: Zagreb

CONET Hrvatska d.o.o is our newly founded branch based in Zagreb. Our goal is to grow dynamically and to become known as one of the top employers in the IT sector in Croatia as well. We are part of the CONET Technologies Holding GmbH currently combining over 1.000 employees. We are known for our excellent work in the fields of consulting, development, cyber security, data intelligence and many more. We are looking for employees who want to get on board and become part of a group, where people matter.

### Working @CONET

At CONET, appreciation means that commitment also pays off in special employer contributions

Possible remote work

Free tea, coffee, fruits and sweets

Budget for education

Flexible working hours

Permanent employment

30 days vacation

### Your tasks

- Customer consulting on ETL Pipelines implementation, data governance capabilities and analytics functions within SAP DI
- Analysis of customer requirements, evaluation and enablement of latest SAP DI features and customizing of provided solutions
- Creation of proof of concepts, processes and “How-to” for applications
- Documentation and communication of work progress and results (project approach according to SCRUM)
- Bi-weekly requirements planning and effort estimations

*„At CONET we aim at creating an inspiring work environment with a good work-life-health balance. Give your career plans a push and join us in working together on exciting projects!“*

### Your qualifications

- Several years of professional experience as SAP Consultant
- High affinity for IT and a good understanding of complex contexts and processes
- A team player with high sense of duty and punctuality who likes to take on responsible tasks, from coordination with the specialist departments to strategic consulting
- Solid Experience in coding in Python
- Hands-on experience in building and implementing ETL Pipelines
- Experience in managing and using cloud-services in AWS (S3, Glue, IAM, Athena)
- Fluent in English

### Apply now

We are looking forward to receiving your application. Please include additional information: Your CV in english, acquired diplomas and certificates, available start date, desired position and salary expectations. If you have any questions, please contact us directly. Of course, you can also apply for other vacancies. We'll get back to you as soon as possible.
