## What Makes Us Different

**CONET is worth it!**

... beyond the project, because we invest into the establishment of a rewarding relationship.

**CONET leads with expertise and passion!**

... every day, with full commitment.

**CONET goes beyond!**

... one decisive step further towards success for our customers.

## About Us:

# CONET LIFE – Our Philosophy

CONET has its own distinctive identity, which we have written up in our **corporate constitution**. Besides our **guiding principles**, this constitution defines:

### Our Mission

We are the medium-sized challenger in the IT market.

### Our Vision

As a TOP IT consultancy, we always want to be the first choice for our customers and employees!

### Our Culture

Our culture sets the rules for our daily dealings with each other and formulates our expectations towards collaboration within our teams and with our customers.
